INDEXING CAN BE ADDED BY QUALIFIED HQ DESK ONLY									

Forwarded as attachment under separate cover is an eleven-year old NSA Report I on AMERICAN/6. We have no more up-to-date biographical sketch on him. However, since that time he has been in almost constant touch with NSARAK as one of the stalwarts of AMERICAN/1. From 1959-62 he was used in NSARAK activities as messenger in the AMERICAN operations. Since that time he has served simultaneously as an NSARAK spotter for NSA, as body-guard and right-hand man of AMERICAN/3 and for AMERICAN/2 when he is in the area and as bunglers around the AMERICAN/1 compound. He has participated in all recent AMERICAN/1 contact operations in Western Europe, e.g., Brussels, Vienna and Rome. He is, of course, visiting or from AMERICAN/1 callidation and knows at least the following NSARAK structures:

In view of AMERICAN/6's almost continuous association with NSA for the past eleven years, it is likely that NSA has accumulated a considerable file on him. NSA might wish to arrange for transfer of the file from NSA to FBI or to obtain copies of the more basic documents.
